1. All true believers that have died since the beginning of time go to a heavenly waiting place with spiritual bodies.

2. All unbelievers that have died since the beginning of time go to a waiting Place of Torment with spiritual bodies.

3. All raptured believers go to a heavenly waiting place with spiritual bodies.

4. All converted believers that survived the Seven Year Tribulation will go to the One Thousand Year Millennial Kingdom with their current mortal bodies. These people will still have a sinful nature and will produce children during that time.

5. All unbelievers that survived the Seven Year Tribulation will go directly to the waiting Place of Torment with their spiritual body.

6. At the beginning of the 1,000 Year Millennium, God sends Satan into the bottomless pit until the last 100 years of the Millennium. Satan and his demons will attempt to deceive all mortal body humans in a final uprise against Jesus.

7. The final White Throne Judgment shall commence at this time. Satan, the beast, the false prophet and all unbelievers that have ever lived will be sent to the everlasting Lake of Fire. This is known as the Second Death. Jesus will destroy everything in existence and will then create a New Heaven, New Earth and New Jerusalem for all true believers to worship forever.
